

Hi, I'm Paul Mattick, married to Karen, and our family have lived and farmed at Manor Farm since 1906. I follow on as the 3rd generation of to sit on the PC.

I like to think that having lived and worked here all my life, I have the village interest at heart.

Accepting that the village has changed with many new houses over the last 50 years we need to keep our identity as a village and protect our green spaces which make Chilcompton a great place to live.
