

Plant a Tree in 23

As part of an initiative to encourage residents to plant more trees the Parish Council will be purchasing a batch of small baby trees (whips) that they will be giving away to villagers to grow in their gardens.

The saplings, bought from the Woodland Trust, will include hawthorn, rowan, blackthorn and silver birch.

Anyone who is interested in acquiring a tree for their home, in the first instance, contact the clerk on parishclerk@chilcompton.org before the end of October.
