

Speeding in Chilcompton

Q: Do we have a problem?

Facts:

1. **350,000** vehicles pass along the B3139 through Chilcompton Monthly.
2. **300,000**, Of them pass during daylight hours, amounting to **800 cars every hour**
3. On **average 16%** are speeding as they pass the Camera.
4. That means - There are **135 vehicles** every hour speeding as they enter the village
5. And, some Vehicles are being registered above **50 mph** for every hour of the day

A: Yes ! Your Parish Council is on the case...

How do we solve it?

IDEAS:

1. 20 MPH zone
2. Traffic calming measures
3. Rumble zones
